

## CiC COURSES

# Bereavement Course Outline

### What is it?

Training covering the Impact of Bereavement in the Workplace, and what an organisation can do to better support staff affected by this.

### Who is it for?

Occupational Health Staff, HR Staff and Line Managers.

### Course Aims

To provide OH/HR and managers with a framework for managing the impact of bereavement in the workplace.

### Course Content

- An overview of grief and bereavement
- The definition of bereavement
- Examples and case studies to learn from
- Models of Loss/Bereavement
- The impact of Bereavement in the Workplace
- Support for managers.

### Benefits

Managers will gain in confidence when supporting employees, they will know when to refer on, which other policies they need to refer to, when to check with other professionals and how to access additional support.

### Our Experience

Our CiC trainers understand the importance of identifying and understanding the culture of your organisation. They are specialists in their field and are highly skilled at delivering training across all sectors and to all levels, specialist teams and departments. They have supported organisations and institutions within both the public and private sector from Universities and Schools, to Law Firms, local councils, NHS care trusts, International News Agencies and International Charities.

### Costs

Costs are standard at £850 per half day and £1250 per full day.

### Additional Information

Groups are usually capped at 15 per group but this is open to further discussion.
